

ESTABLISHED - 2002

JASS INDUSTRIES

By Mr. K.JEGADESSAN

COMPANY PROFILE

JASS INDUSTRIES

Our Philosophy

We are driven by precision, quality, and innovation. Our customer-centric approach ensures that we deliver high-performance machines that exceed expectations. Safety, reliability, and sustainability are our top priorities, while collaboration and ethical business practices form the foundation of our success.

Our Vision

We aim to revolutionize the industry with advanced technologies, sustainable practices, and exceptional service

Our Mission

We are committed to precision, innovation, and customer satisfaction, ensuring our machines enhance productivity and drive success for our clients.

Our Goals

We strive to deliver excellence by consistently providing superior quality machines and tooling that surpass customer expectations

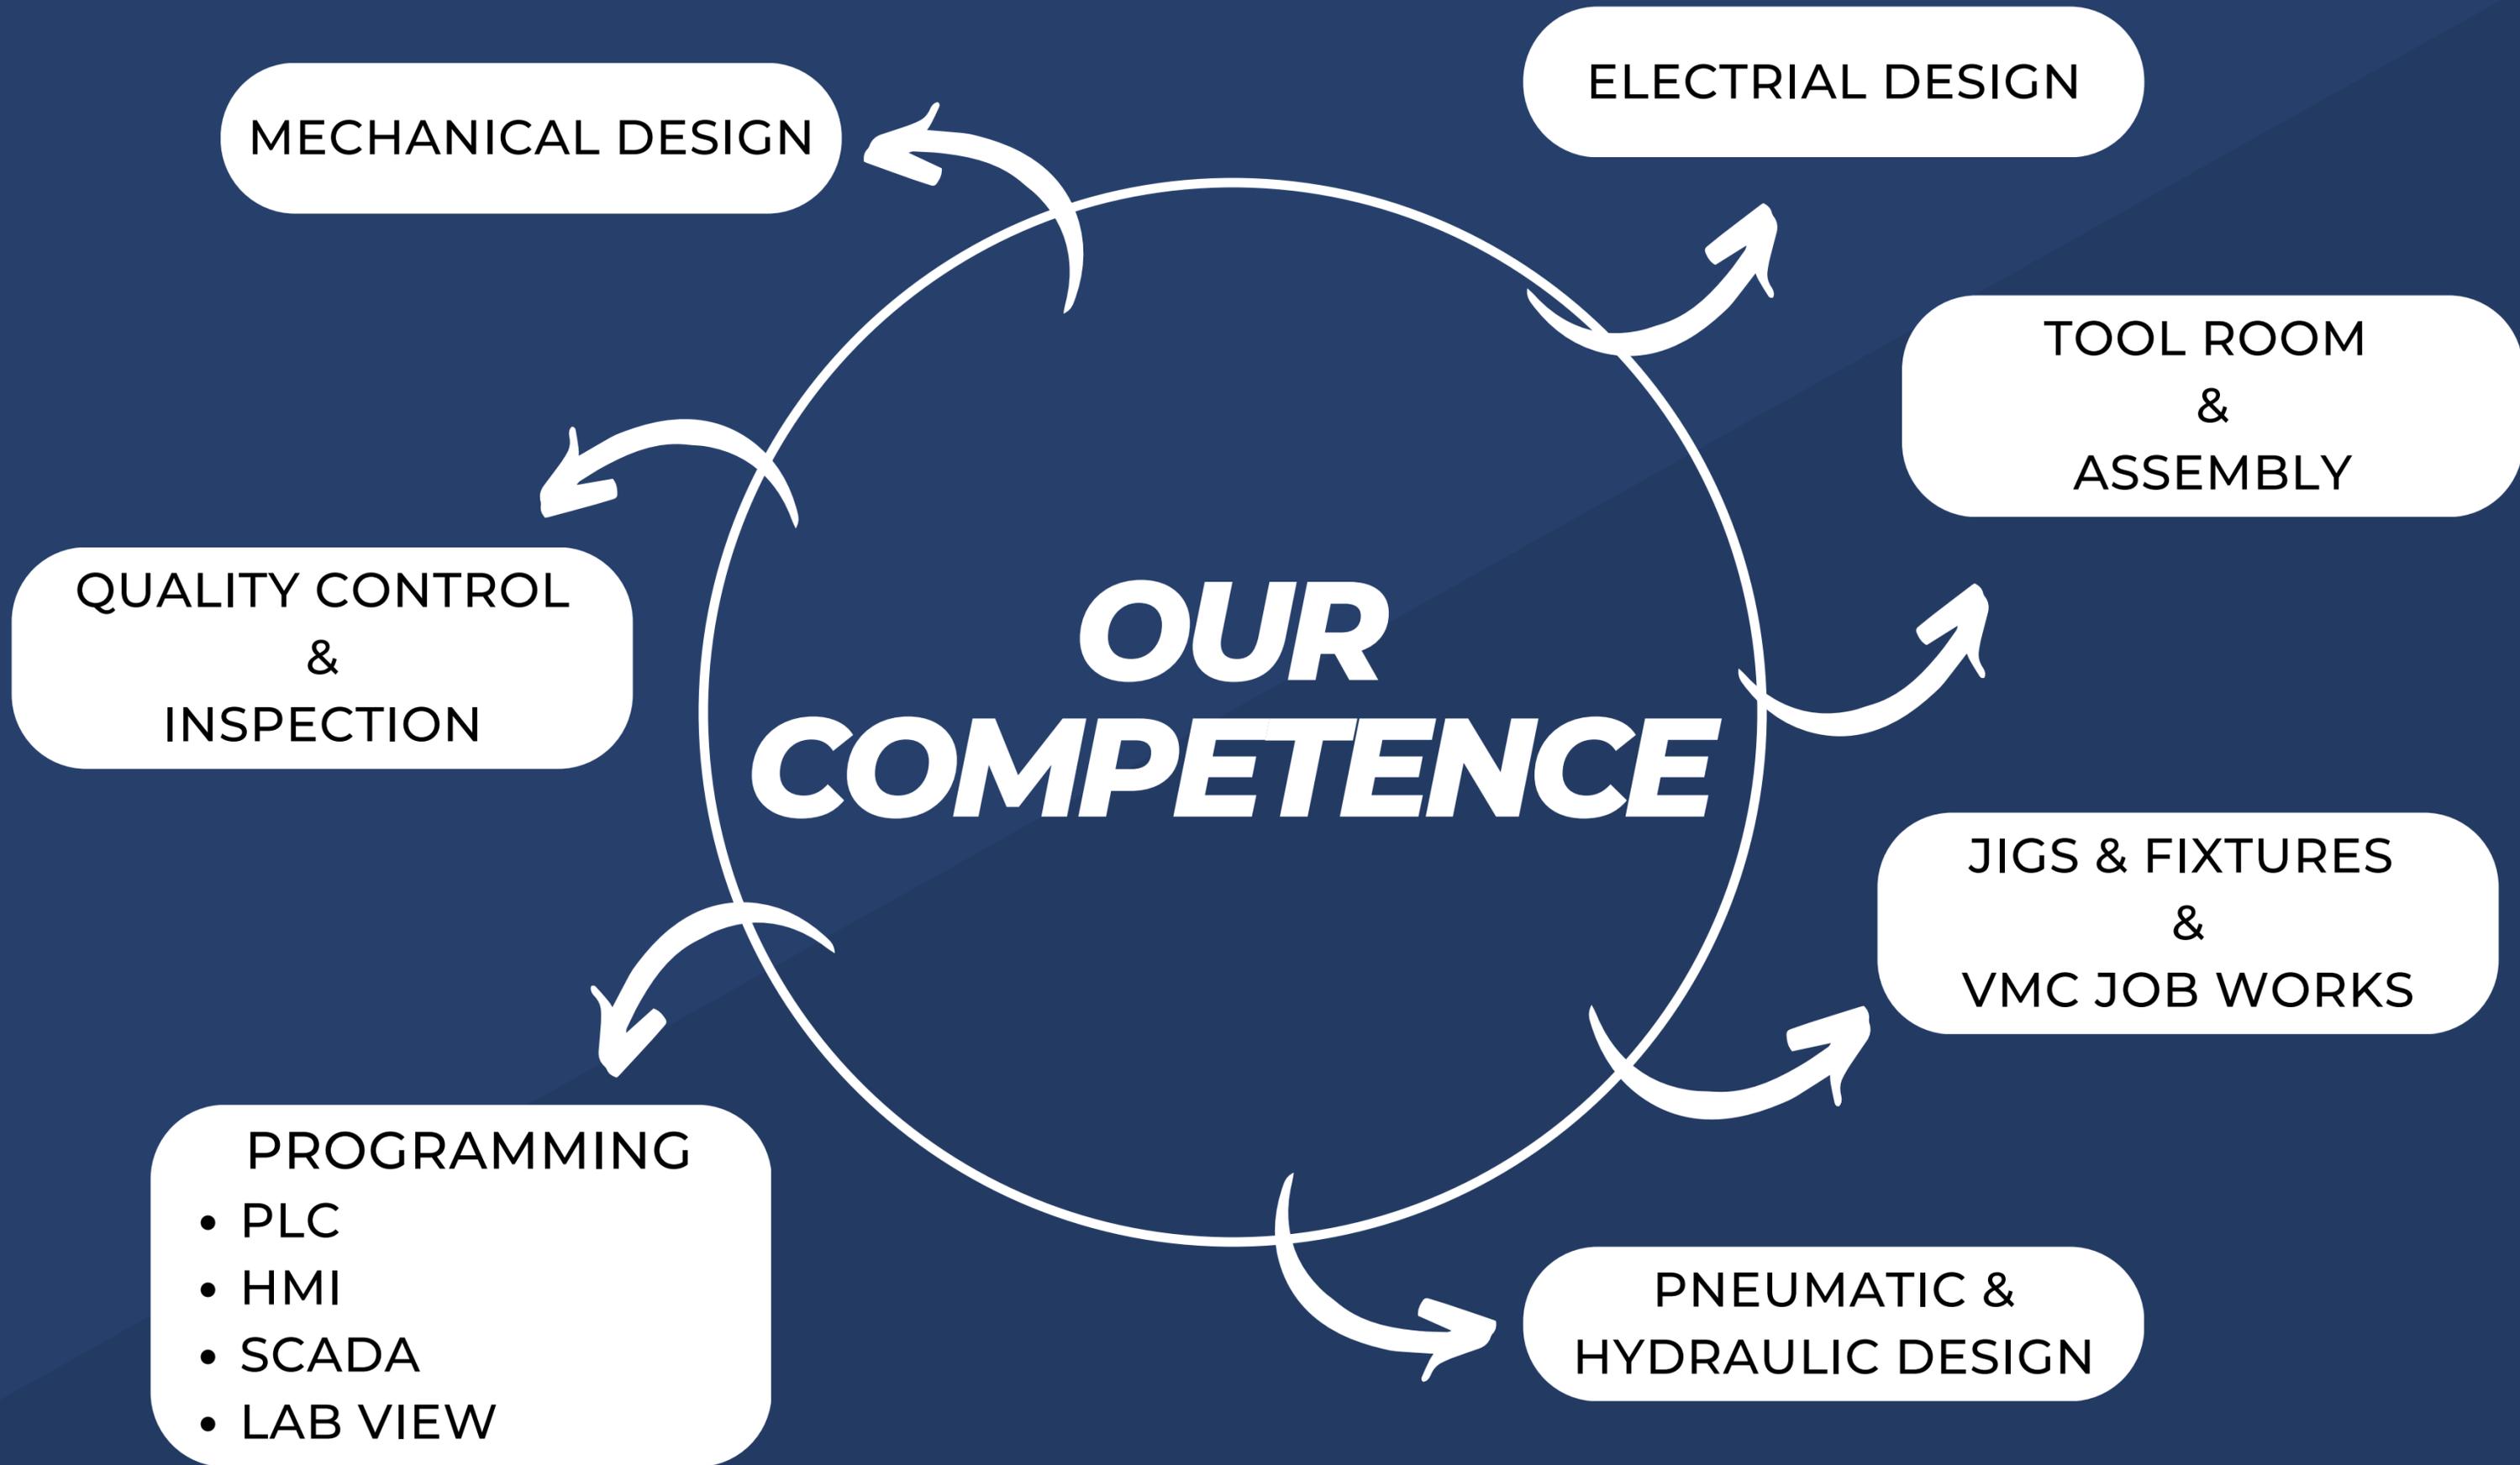

COMPANY OVERVIEW

We are glad to introduce ourselves as a small scale industry engaged in manufacturing special purpose machine, jigs & fixtures, VMC job works & fabrication, and custom - build machinery design and manufacturing and we are eager to place ourselves at your service.

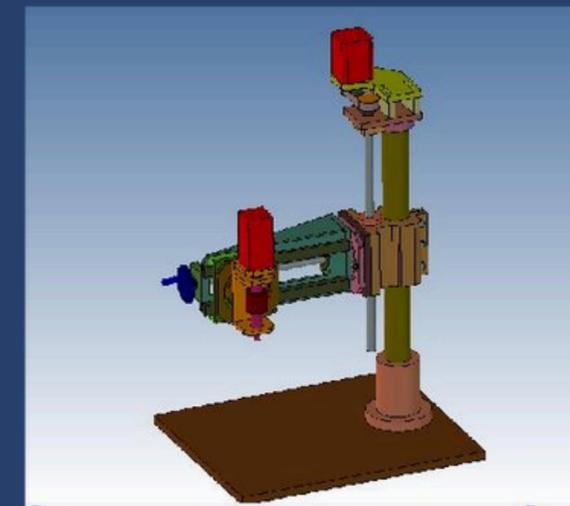

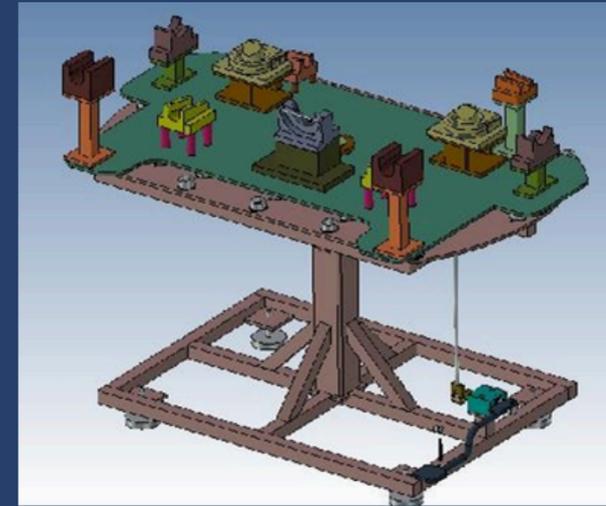

Jass Industries is developed in an area of 20,000 sq ft and the shop floor is around 10,000 sq. ft.

We also distribute the following leading brand product in *ABB, AUTONICS, DELTA, MITSUBISHI, OMRON, SCHNEIDER ELECTRIC, SIEMENS.*

Jigs & Fixture

As an industrial automation and press tool provider, we offer a variety of services. For example, we provide leakage testing equipment, auto parts assembly machinery, rotary welding setups, welding fixtures, assembly fixtures, jigs, etc.

Programming & Panel wiring

Our company specializes in control automation systems. We have a team of highly qualified engineers who are well versed in automation technologies such as PLC, HMI, SCADA, and LabView. Besides providing all logical solutions for any type of PLC, we are also capable of designing electrical and pneumatic circuits for control panels.

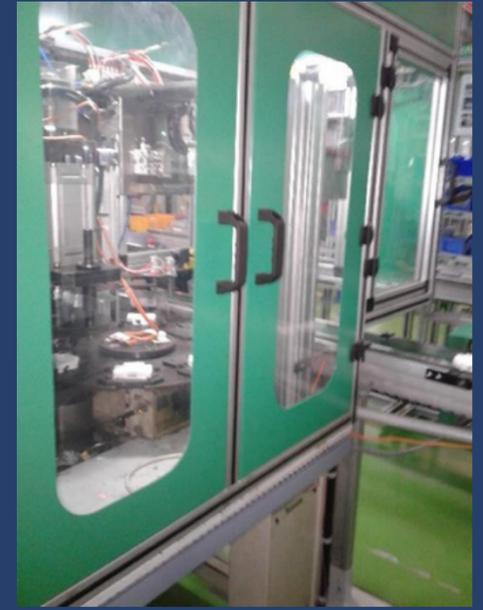

SHOWCASING OUR CRAFTSMANSHIP

BUSH PRESSING M/C

V- FORMING CONVEYOR M/C

WELDING POSITONING SETUP

DISC CRIMPING 6 TON PRESS

BRAID BIMETAL WELDING M/C

VISION INSPECTION M/C

MCB RIVETTING M/C

OUR MACHINES

VMC

HORIZONTAL BORING

ROTARY SURFACE GRINDING

MACHINERY LIST

MACHINE	MAKE	DETAILS
VMC	JYOTI	X-1200;Y-600;Z-600
CYLINDRICAL GRINDING	HMT - G22	2MTS CENTER TO CENTER
SURFACE GRINDING	HMT - SFW	X-1500;Y-350
ROTARY SURFACE GRINDING	ALEX	1500MM DIA
ROTARY SURFACE - SURFACE GRINDING	ALEX	1000MM DIA
MILLING	HECTOMARK MITR	
MILLING	DIACH MITR	
LATHE	HONEST	14 FEET
ARC WELDING MACHINE	MEGATRONICS	2 nos
MIG WELDING MACHINE	MEGATRONICS	1 no
HYDRAULIC PRESS		100 TONN

MEASURING INSTRUMENTS AND GAUGES

DESCRIPTION	RANGE (MM)	MAKE
SLIP BOX	.01 TO 100	MITUTOYO
BORE DIAL GAUGE	7 TO 200	MITUTOYO
STICK MICROMETER	100 TO 1500	MITUTOYO
OUTSIDE MICROMETER	0 TO 500	MITUTOYO
VERNIER CALIPER	0 TO 1000	MITUTOYO
GROOVE MICROMETER	7 TO 50	MITUTOYO
DEPTH MICROMETER	0 TO 100	MITOTOYO
VERNIER HEIGHT GAUGE	0 TO 1000	MITUTOYO
THREAD PITCH GAUGE	ALL SIZE	
INSIDE CALIPER	ALL SIZE	
OUTSIDE CALIPER	ALL SIZE	
RADIUS GAUGE	ALL SIZE	
SURFACE PLATE	2500 X 1500	
SURFACE PLATE	2000 X 1000	
SURFACE PLATE	1000 X 500	

CUSTOMER LIST

- SCHNEIDER ELECTRIC INDIA PVT LTD.
- PNEU-TECH INDUSTRIES
- IMPACT ROBOTICS PVT. LTD.
- MOTHERSON GROUPS
- TOSHNI-TEK INTERNATIONAL
- SOLCOMP INDIA PVT. LTD
- ALSTRUT INDIA PVT. LTD.
- RINCO ULTRASONICS
- EMERSON PROCESS CONTROL
- RANE TRW LTD.
- SANMINA – SCI INDIA PVT LTD.
- DIMOSS LEAR.
- INDIA JAPAN LIGHTING PVT. LTD.
- CTM INDIA PVT. LTD.
- SAMSUNG INDIA ELECTRONICS PVT LTD.

THANK YOU

*We look forward to working
with you*
